DETAILED ACTION

Response to Amendment

The reply filed on January 29, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Amended claim 1 is not consistent with the previous version of claim 1. For example, the word "layer" as shown in line 13 of claim 1 filed January 31, 2003 is not shown as either part of the presently amended claim or as having been deleted in the amendment filed January 29, 2004. See 37 CFR 1.111.

If a claim is amended by rewriting such claim with the same number, the amendment must be accompanied by another version of the rewritten claim, on one or more pages separate from the amendment, marked up to show all the changes relative to the previous version of that claim. A parenthetical expression should follow the claim number indicating the status of the claim, *e.g.*, "amended," "twice amended," etc. The parenthetical expression "amended," "twice amended," *etc.* should be the same for both the clean version of the claim under paragraph (c)(1)(i) of this section and the marked up version under this paragraph. The changes may be shown by brackets (for deleted matter) or underlining (for added matter), or by any equivalent marking system. A marked up version does not have to be supplied for an added claim or a canceled claim as it is sufficient to state that a particular claim has been added, or canceled.

(MPEP 714)

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
